

# RING SIZING CHART

[www.worldsapartrings.com](http://www.worldsapartrings.com)

0 1/2" 1.0" 1 1/2" 2.0" 2 1/2" 3.0"

Page printing scale.

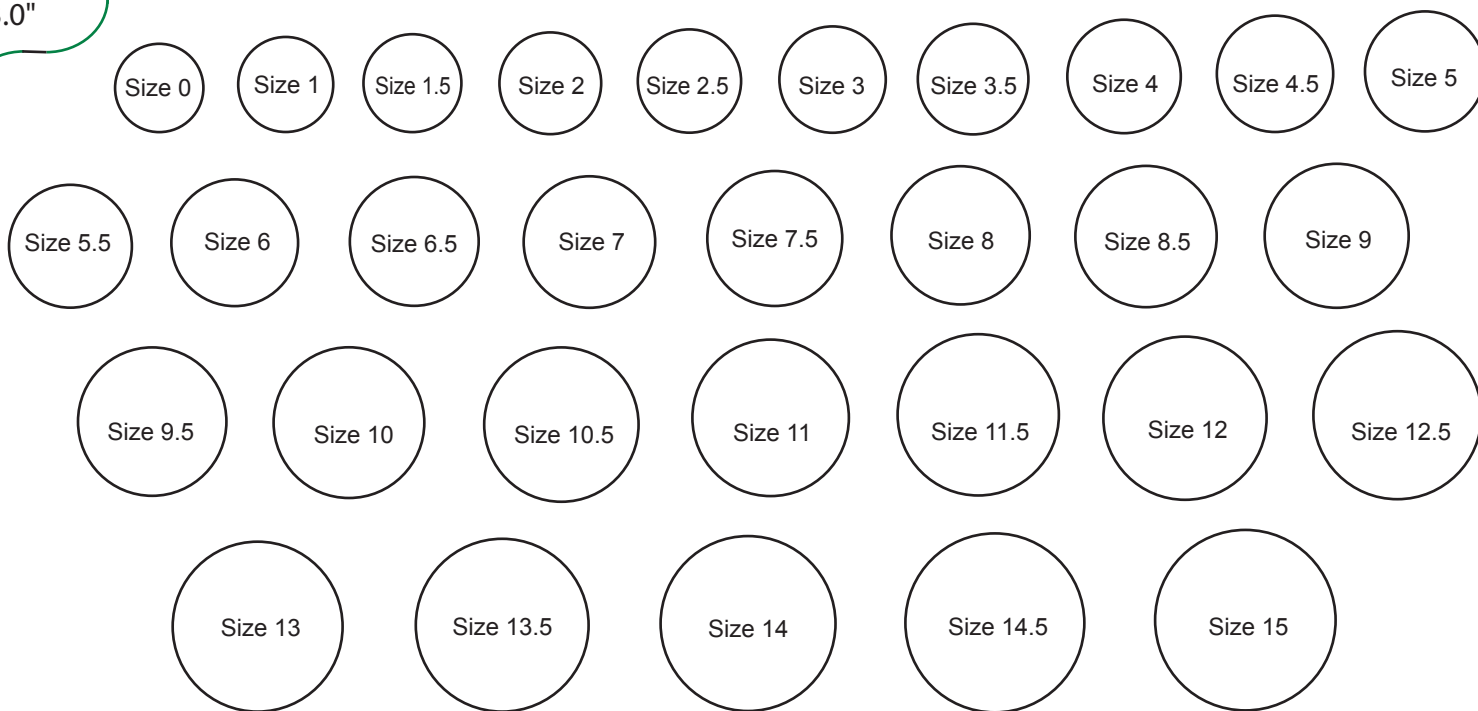

Setup.

1. Print chart. Disable all printer-scaling options prior.
2. Double check scale by measuring page printing scale.
3. Scale should measure 3 inches x 3 inches.

If not, check that the page is printed to full scale and page scaling is set to NONE

## Method A.

1. Using an existing ring.
2. Place ring over size circles.
3. The size circle should just show inside the ring.
4. For rings over 3/8" wide order a 1/2 size larger.

## Method B.

If a ring can not be used.

1. Cut out ring sizer.
2. Cut a through slot as noted.
3. Loop black point end around finger and through slot. Pull tight.
4. Ring size is shown at slot.
